Faith Ministry
Making a difference, one at a time.

DAME LA MANO

No me importa la iglesia que vayas
Si detrás del calvario tu estás
Si tu corazón es como el mío
Dame la mano y mi hermano serás

Dame la mano, dame la mano
Dame la mano y mi hermano serás
Dame la mano, dame la mano
Dame la mano y mi hermano serás

Si tu iglesia es la metodista,
La bautista o pentecostés
Como presbiteriano, te digo
Que solo Cristo unió nuestra fe

Dame la mano, dame la mano
Dame la mano y mi hermano serás
Dame la mano, dame la mano
Dame la mano y mi hermano serás

It doesn't matter what church you go to
If you're after the calvary,
If your heart is like mine,
Give me your hand and you'll be my brother

Give me your hand, give me your hand
Give me your hand and you'll be my brother
Give me your hand, give me your hand
Give me your hand and you'll be my brother

If your church is Methodist,
Baptist or Pentecostal,
As a Presbyterian, I tell you
It's only Christ who unites our faith

Give me your hand, give me your hand
Give me your hand and you'll be my brother
Give me your hand, give me your hand
Give me your hand and you'll be my brother
