FAITH MINISTRY COVENANT | COLLEGE LEADERSHIP PROGRAM

Please read the following covenant carefully and sign at the bottom.

I, _____ (Name), agree that I will abide by the covenant outlined below during my time in Mexico with Faith Ministry. I, as a servant of God, will respect His people and property and will work as the hands and feet of Christ to build His kingdom with our brothers and sisters in Mexico.

- I will respect the church and clinic properties by refraining from the use of alcohol or tobacco products. **No drinking or smoking of any kind is allowed on or around Faith Ministry property**. I am not only working as God's servant, but I am setting an example of respect for those who live around and visit the complex and clinic.

- I understand that underage or inappropriate use of alcohol or illegal drugs is unacceptable. I understand that the discovery of this use may result in immediate departure.

- **I will not engage in romantic behavior with a fellow intern, with one of my Mexican brothers or sisters, or with a mission work group volunteer** during my time with Faith Ministry.

- When attending activities in the church sanctuary, I will conduct myself as I do in my own church sanctuary, remembering that I am in God's house, and it is holy.

- I will show respect and fellowship to other volunteers and staff who may be sharing dorm, kitchen, and living space.

- I will keep myself safe by remembering that I am visiting another country. I will **only leave the complex or clinic when accompanied by a staff member**.

- I will visit my Mexican brothers and sisters in the common areas of the complex and clinic and will not invite them to or visit with them in the living quarters.

- I will remember the Mexican culture with respect to my clothing and will wear respectable and appropriate clothing for church and for work. I will **avoid wearing short shorts, spaghetti straps and other such clothing**.

- I will remember that any donations should be made through the Faith Ministry office and not be given directly to families or individuals in Mexico. The Faith Ministry office will provide a receipt for your donation and will ensure that the funds are distributed as instructed by the donor.

- My purpose is to build relationships, serve God as His hands and feet, and have fun!
